Serious Fun Events were delighted to be called upon to organise the Ernst and Young annual conference at the Bellhouse Hotel in Beaconsfield. SFE were given a budget to work to and a tight time frame for production and set up.

SFE put together an excellent conference package consisting of staging, backdrop, company logo's, back projection screen, lighting effects, lecterns, radio microphones and full technical support throughout the conference.

SFE also hosted superb team activities based on a "tropical theme".

Delegates dressed in Hawaiian shirts and represented their teams in the percussion workshop, limbo dancing, the surf simulator, the coconut shy, juggling master class and Caribbean stud poker. Teams competed in all activities with the overall highest achieving team winning the prestigious golden coconut awards. Individual achievers were awarded chocolate coins.

During the evening the guests were entertained by a steel band with disco to finish. The dining room was decorated with a tropical theme including backdrops, palm trees, lighting effects and even a gang plank.
